ACC was incorporated in October of 1977. Jack Holland was the founder of ACC. Jack had been in the auto trim business for many years before starting Auto Custom Carpets. Jack started out by purchasing the carpet used in the molding operation from OEM suppliers such as Collins & Aikman, J.P. Stevens and Masland. In April of 1984 he purchased Academy Carpets, Inc. in Dalton, GA and began tufting his own carpet. In January of 1986 he purchased the plant that was formerly operated by the Automotive Division of E.T. Barwick Mills. For many years, this plant was a prime carpet supplier to General Motors and Chrysler Corporation. The first molded carpets used in the automotive industry were developed at this plant in 1958. By purchasing this plant, ACC was not dependent upon any supplier for its carpet needs.

Jack Holland
(Founder)

History

In 1995, a management group consisting of Ken Howell, John Mahlendorf, Jeff Moses and George Miller purchased the company from Mr. Holland. In April of 1998 the other three stockholders purchased George Miller's stock. The company acquired Jeff Moses' stock from his estate following his untimely death in February of 2001. In 2002, the company established an Employee Stock Ownership Plan (ESOP). The ESOP was put in place to acquire John Mahlendorf's stock thus allowing him to retire. The ESOP has purchased 75.5% of John's stock with Ken Howell purchasing the other 24.5% thus leaving Ken Howell as the only remaining member of the 1995 buyout and the majority stockholder.

(President / CFO)

Future

ACC acquired Auto Carpets Systems (ACS) in September 2007. This acquisition allowed ACC to be an even stronger automotive flooring company with greater capabilities.

Today, Auto Custom Carpets, Inc. employs over 150 workers across two states and five locations. Our corporate office is located in Anniston, AL. We also have three production facilities in Anniston and one in Lafayette, GA. We offer over 25,000 flooring applications to fit vehicles ranging from the 1940's to current day models. Each is offered in its original color and material and is custom made to meet or exceed OEM specifications. Most orders are produced and shipped within 24 to 48 hours.

COLOR DISCLAIMER

ACC is able to match most original materials and colors for carpets and floor mats. However, every vehicle may have several variations of the same color for each model year. Dye lots for carpet may vary +/- 5%. This is common to industry standards and must be understood by manufacturers, dealers, and the customer.

Carpet flooring is at the heart of what Auto Custom Carpets, Inc. is about. From cut & sewn for the early models to precisely molded sets for later models, we offer over 15,000 styles to fit vehicles from the 1940s to the present. All of which are available in their original material and color. No interior restoration project is complete without an ACC carpet.

- 7 original materials
- Over 325 original colors
- Easy installation
- Meets or exceeds OEM specifications
- Perfect fit
- Matching floor mats available

Sound Deadeners help insulate your vehicle from road noise and engine heat. They are available in EVA, foil back or mastic with jute and are custom made to fit each model perfectly. ACC sound deadeners meet federal standards for flammability retardation. It's the perfect beginning when replacing your carpet and to increase its durability.

Two backing choices are available for molded Carpet. Poly backing is standard for most applications while Mass backing is an excellent upgrade option. Mass backing extends the carpet life while further insulating the interior.
