MOUNT TOOLBOX

2004 PRODUCT GUIDE

- Easy to install
- No drilling on most trucks
- Durable powdercoat finish
- Many accessories available
- Limited lifetime warranty

BACKRACK INC.
www.backrack.ca

One of the reasons people like BACKRACKS so much is because we make them "accessory friendly". Whether you want to mount toolboxes, cargo, ladders, signal lights or antennas, BACKRACK has the accessory to get the job done. All brackets are coated with BACKRACK's durable powder-coat finish and all hardware is yellow zinc coated for superior corrosion resistance.

TOOLBOX BRACKETS

Toolbox Brackets are used to mount "over-the-rail" style toolboxes. Of course, our customers have found a number of other creative uses for them as well. They are available in 21" (standard) and 31" lengths.

- 91010 - fits Backracks 10503/4/5/6/7/8/9,10311,10517
- 91011 - fits Backrack #10501 only
- 91012 - fits Backrack #10502 only
- 91010-C - fits Backrack #10310,10312,10313, 10502SC

Note: 31" Toolbox Brackets also available add "-31" to part#

REAR BARS

Rear bars are ideal for securing long cargo like ladders, lumber or pipe for example. They mount into the truck's stake pockets and therefore are custom designed for each vehicle. They are removable for storage when not in use. Unfortunately, they are not available on vehicles without stake pockets.

- See application chart on back cover to select the right one for your truck

LIGHT BRACKETS

BACKRACK is committed to its fleet and commercial customers who require signal lights, strobes, mini-light bars arrow sticks, sport lights and more. We have brackets for every model making the BACKRACK and SAFETY rack the ultimate "LIGHT RACKS"! This year, we are proud to introduce the 91001F, 91003F which allows the user to rotate their strobe light upside down when not in use.

- See the detailed chart (opposite page) for each light bracket kit.

6.5" Round

81001 Driver Side
81003 Passenger Side
No drilling required

10.5" Round

91001 Driver Side
91002 Center Mount
91003 Passenger Side
No drilling required

10.5" Round - folding

91001F Driver Side

BACKRACK INC. LIMITED WARRANTY This limited warranty is made by BACKRACK INC., to the original retail purchaser of BACKRACK products. BACKRACK INC. warrants that BACKRACK products will be free from defects in material and workmanship for so long as the purchaser owns the vehicle on which it is originally installed.

This warranty does not apply to: • Defects caused by the improper installation of its products • Damage caused by failure of any vehicle attachment points • Products which have been subject to misuse, misapplication, modification or accidental damage • Surface rust or corrosion that has not perforated the product.

If the purchaser discovers that the BACKRACK product fails to fulfill the Warranty, the purchaser shall contact BACKRACK INC. to make arrangements for an inspection of the product. If BACKRACK INC. determines a defect exists; BACKRACK INC. shall, at its option and expense, repair or replace any defective part. All Warranty repairs shall be made by an authorized BACKRACK product dealer or BACKRACK INC. approved service company.

THE WARRANTY PRINTED ABOVE IS THE ONLY WARRANTY APPLICABLE TO THIS PURCHASE. ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED. BACKRACK INC. SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF ANY BREACH OF THIS WARRANTY, NOR SHALL THE DAMAGES EXCEED THE RETURN AMOUNT OF THE PURCHASE PRICE PAID BY THE ORIGINAL PURCHASER.

This Warranty is in lieu of all other Warranties express or implied. The terms of this Warranty shall not be modified by any party, their successors or assigns. This Warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.
