RETAIL PACKAGING AND PLAN-O-GRAM PROGRAM

FRAMELESS SOFT TOP

The Rampage frameless soft top installs over the original equipment factory roll bar for a snug fit without the need for additional bows or support hardware. This unique design allows for larger side windows and improved visibility with removable side and rear windows that quickly convert the soft top into an open Safari top. Windows use heavy duty molded tooth zippers and are easily replaced or removed and stored in a special separation panel between the ceiling and roof top which is concealed and protects the windows from scratches or puncture. The fastback style offers improved aerodynamics and a quieter ride than factory bow style tops.

NOTE: Requires Windshield channel, factory soft top door surrounds and tail gate bar. If the soft top is replacing a hard top application, these parts are required and can be purchased separately.

- Factory grade materials & colors
- DOT Compliant Windows with privacy tint
- Weatherproof - Attaches to factory belt rail system and windshield channel - Heat Sealed Seams & Windows and Marine grade molded tooth zippers
- Replaceable Components including side & rear windows with heavy duty molded tooth zippers - optional front window frames and Door Skins
- Exclusive Rampage interior storage pockets for both driver & passenger

COMPLETE SOFT TOP KIT, 97-06 JEEP WRANGLER

Includes everything - Fabric top, Windows, Frame & Hardware plus exclusive Rampage accessories. Replace your worn out top system or convert a hardtop to a softtop and get organized in the process. Rampage redesigned Fold-down bow system uses factory-mounting points for easier installation and OE design belt rail attachment seals out the weather. When not using windows or upper doors, store them in the included free storage bag. There's even a glove box organizer for all manuals, small tools, documents, etc.

The TJ Complete Soft Top kit by Rampage includes Fabric Top, vinyl windows, re-engineered fold down framework, bows, hardware and all accessories necessary for a new top installation. It comes with easy to follow instructions and is packaged in convenient, durable canvas storage bag.

- Factory grade materials & colors
- DOT Compliant Windows - available in factory clear vinyl or dark privacy tint (35%)
- Weatherproof - Heat Sealed Seams & Windows and Marine grade molded tooth zippers
- Replaceable Components including side & rear windows with heavy duty molded tooth zippers - run smoother & last longer
- Two Year limited warranty

PLUS - Exclusive Rampage TJ kit components

- Re-engineered bow system - easy to use & folds down when the top is not in use
- Soft Top Disconnects (easily remove bow system with quick release pins)
- Convenient interior zippered storage pockets - driver & passenger
- Soft Top Storage Bag
- Rear Tailgate bar has custom tonneau for hiding valuables and sealing top
- Off Road Organizer that is custom designed with Jeep owners in mind to hold owner's manual, tools vehicle registration, & other important papers.

FACTORY REPLACEMENT TOP

Jeep Wrangler applications '87-'06

**2 YEAR
WARRANTY**

Replace aging, worn out factory soft-top and gain some additional storage space inside the driving compartment. All the features of the original factory top with exclusive Rampage additions – two zippered storage pockets. Produced in original factory specifications and colors, the Rampage replacement top easily installs over factory framework, and attaches to factory mounting points and Original Equipment belt rail attachment System. Fits all factory applications and includes the top fabric, clear or tinted windows and, where applicable, includes upper door skins that slip over the OE upper doorframes.

- Soft Top produced to OE Specs - factory grade 18 oz materials & colors & Belt Rail installation system
- DOT Compliant Windows (30 mil) - available in factory clear vinyl or dark privacy tint (35%)
- Weatherproof – Heat Sealed Seams & Windows and Marine grade molded tooth zippers
- Replaceable Components including side & rear windows with heavy duty molded tooth zippers – front window frames and Door Skins
- Two Year limited warranty
- Fade resistant marine grade, wick-stop thread - Seals the stitch holes to repel moisture, longer life without color fade
- Self correcting zippers on all door windows. Marine grade molded tooth zippers run smoother and last longer
- Rear windows zip out completely
- Door panels have a double adjusting system that ensures a snug, tight fit
- Kits include fabric/glass only. Original equipment soft top hardware and door frames required for installation

TUBE BUMPERS

Each Tube bumper is robotically welded to exacting specifications to ensure long life and continued good looks. Black finish bumpers are specially treated with a dense zinc undercoating before being put through a dual powder coat finish. The bright stainless version begins with the highest quality 304 stainless steel that is polished to a mirror finish. Welded one piece design for extreme durability.

- Available in Polished, Marine Grade Stainless or Black Powder Coat
- No rusting, flaking or peeling - guaranteed on Polished Stainless!
- Euro Grille Guard can be used with Tube bumper or factory bumpers

SAND ROCK STREET For Jeep® Vehicles

Great look and protection for both street and trail. A family of front, side and rear tubular product offers a coordinated look for Jeep, Truck and SUV. These heavy-duty bumpers and side bars are designed with the serious off-roader in mind, but also a great dress-up for the street. Durable powder coat painted 2-inch tubes or 1/4-inch steel plate protects vehicle front end from those large obstacles. SRS bumpers feature tapered ends for extreme approach and departure angles, and for greater tire travel. Available in Textured Black. Adding the SRS tire carrier to the rear bumper takes the load off the tailgate and is the perfect compliment to oversized tires.

FRONT BUMPER

- Wide Opening allows for installation of a Winch
- Four Light Tabs to mount off road lighting
- Rugged, one-piece fully welded design for extra Strength
- 1/4-inch thick custom mounting brackets
- Durable steel construction - 2" x .120" wall
- Heavy duty Clevis (D-ring) attachments

Tubular SRS Rear also available without tire carrier. Includes a 2-inch receiver

SRS Rear with tire carrier

SRS Front

REAR BUMPER with TIRE CARRIER

- Heavy duty 1/4-inch steel plate design
- Special lock design keeps tire carrier secure while off road
- Zinc under-coated, Dual Stage textured Black Powder coat painted for long life
- Three point mounting system supports over sized tires to 35-inch
- Durable steel construction - 2" tube x .120" wall
- Grease fitting for lubrication and easy swing out/swing in

**NEW
DESIGN**

Traditional style 3-inch tubular step bar for ease of entry from a great looking side bar. Available in a bright polished stainless for a custom show finish or dual stage black Powder Coat for the rugged off road look. Each bar is fitted with a reinforced no slip polyester step pad precisely positioned for vehicle entry and exit.

- Step Bar bends and brackets are designed in tandem for vehicle specific custom fit with proper alignment and clearance.
- Flat step area is not cut out, instead it is compressed to enhance strength and eliminate rust.
- Step Pads secured in place with insert pins.
- No Drilling - easy installation brackets bolt to factory holes for OEM mounting.

STAINLESS STEEL

- 304 Marine Grade polished stainless - will not rust, chip, flake or peel.
- Primary and secondary polishing for hi-gloss finish.
- Heavy Duty 3"x .07" wall stainless steel tubing

BLACK POWDER COAT

- Acid bath dip to remove impurities
- Dual stage powder coat finish incorporates an initial E-coat layer covered by a durable gloss black powder coat.
- Heavy Duty 3"x .07" wall steel tubing

**STREAMLINE BAR**

- The new and unique Streamline design has the styling appeal of a side bar coupled with easy installation features and strength of a running board.
- With a 5-inch step, Streamline has over 50% more Step area than regular tube steps.
- Stylish custom molded end caps add streamline styling, can be painted for a custom finish and seals the step from moisture. Results in an OEM finished look.
- No Drilling most applications - Heavy-duty mounting brackets mount to existing factory holes.
- A new innovation in mounting brackets make installing the streamline step quick & easy and the bar can be positioned forward or back to compliment individual style or bar location needs.
- **RAMPAGE EXCLUSIVE:** Galvanized Steel - Powder Coat, Weatherseal Brackets

NOTE: Streamline Bars may also be installed with other aftermarket flat top installation brackets by using the Rampage Top Clamp Conversion Kit

EXCLUSIVE RAMPAGE FEATURES

Storage bag

Lock and Cable

BREATHABLE 4 LAYER COVERS

When it comes to protection, Rampage has you covered. These breathable covers repel water, but won't trap moisture as they protect your vehicle finish from sun, dirt, droppings, and other airborne pollutants that harm the paint - they are great indoors or out.

- Soft and durable backing pampers paint finish and protects from sun, dirt, dust, moisture and pollution
- Unique diamond bond pattern allows air and humidity to escape preventing paint deterioration from trapped air and moisture. The non-woven fibers are naturally water resistant and will shed water under normal conditions – in extended rainstorms even the best fabrics will absorb varying amounts of moisture, but the Rampage 4-layer cover dries easily as it allows air to circulate thru the fibers.
- Ultraviolet protection against sun and heat buildup
- Polypropylene center layers are naturally water repellent
- Features double stitched elastic hem in front & rear to secure under bumper
- Side grommets for tie downs or security cable lock
- **EXCLUSIVE FEATURE** - Includes FREE Lock and Cable
- **EXCLUSIVE FEATURE** - includes FREE Storage Bag
