# Introduction

Thank you for your interest in Torque Solution product line. For those of you new to us, Torque Solution founded in 2008, has become one of the fastest growing manufacturers and distributors in the motorsports industry. Our rapid growth has allowed us to establish our products in all major markets worldwide.

Family owned and operated and based in beautiful Ft.Lauderdale, Florida. Our operations consist of a main distribution center and several manufacturing outlets. The majority of all our products are made right here in the USA.

Our strategy is very simple. – To manufacture and purchase in large volumes – this enables us to offer you the best prices around and gives you that competitive edge for your market (s).

We are proud to present you our 2011 products and accessories catalog which is filled with hundreds of in-demand products from billet products, exhaust products, urethane products, and more!

Best of all, we have an amazing 99% order to ship rating!

We hope you find our catalog a resourceful tool and as always we strongly encourage you to visit our website [www.TorqueSolution.com](http://www.TorqueSolution.com)

Sincerely,  
Torque Solution Team

## How to Contact Us:

Toll Free: 877-901-8677  
Fax: 954-272-7799

Address: 3819 NW 49th St  
Tamarac, FL 33309

Email: [Sales@TorqueSolution.com](mailto:Sales@TorqueSolution.com)

Website: [www.TorqueSolution.com](http://www.TorqueSolution.com)

Hours of Operation: Monday through  
Friday 10:00am to 5:00pm (EST)

## ORDERS

Orders can be placed 24 hours a day, 7 days a week at [www.TorqueSolution.com](http://www.TorqueSolution.com). Orders placed before 3:00pm M-F will ship same day in most cases. Phone and fax orders are also welcome.

## SHIPPING

All orders are shipped UPS or USPS. All foreign orders must be prepaid in US dollars.

## PAYMENT

We accept Visa, Mastercard, PayPal, and Money orders. International orders may be required to do money transfers at Torque Solution discretion.

## PRICES

All prices are subject to change without notice. We do make every effort to maintain prices January to January.

## LIMITED WARRANTY

All our products are sold without warranty of any kind due to the unusual stress and conditions that are placed upon them for which we have no control. The sole obligation of Torque Solution shall be limited to only the products found defective in either workmanship or material, after an inspection performed by our company. This Limited Warranty applies only to the original purchases of the product and only covers the replacement or repair of the defective products.

## RETURN POLICY

An RA is required for all returns. Products not returned with an RA may not be credited accordingly. If after 30 days, purchased merchandise may be returned and exchanged for products. In most cases, products may be returned packaged or unpackaged; however, if was used or damaged by the customer no replacement nor credit will be applied.

## INSTALLATION

Torque Solution Limited Warranty only applies to its products that are installed by a professional mechanic.

Torque Solution continues to push the limits of high performance aftermarket products with our "NEW" Shock Factor Shifter Bushings. Developed to perform under the most extreme conditions, Shock Factor Shifter Bushings bridge the gap between ordinary aluminum, brass, and cheap plastics used in current aftermarket shifter bushings by offering a unique Delrin specifically chosen by Torque Solution engineers to ensure product performance and reliability while drastically reducing shifter end play allowing for crisper, more precise shifts. All this makes it easy for us to stand behind our shifter bushings with a lifetime warranty.

Street or Track Shock Factor Shifter Bushings will always get you in gear!!!

- Eliminates excessive Shifter play
- Street and track torture tested
- Installs in under 30 minutes
- Life Time Warranty
- Made in USA

- Life Time Warranty
- Made in USA

Part #	Application	MSRP
TS-SU-666	License Plate Delete Subaru Wrx Sti 2002-11	\$30.00

## Suspension

Part #	Application	MSRP
TS-00-001	Adjustable Thrust Arm Bushing Kit Porsche	\$299.99

Torque Solution adjustable thrust arm bushing kit replaces the factory, rubber bushings on the wheel-end of the control arms with a billet aluminum bushing, this will allow for better handling and most important also allows for the adjustment of caster. Replacement thrust arm bushings significantly improve the handling and response from your 996 or 997 suspension.
