# DISC BRAKE CONVERSION KITS

**WBK2000**  
**49/54 Kit WYSCO Early Stock Height kit**  
 Fits 1949-1954 Chevy Car  
 1953-1962 Corvette

Install GM style disc brakes on your early chevy car or Corvette.  
 Includes adaptor brackets, 11" rotors, large GM type single piston cast iron calipers. Bearing adaptors, pads bearings nuts. Bolts rubber hoses etc. Utilizes GM components for easy replacement.

**WBK2001**  
**55/64 WYSCO stock spindle disc brake kit**  
 Fits 1955-1964 Chevy cars

Heavy duty laser cut steel brackets bolt to factory spindle for easy disc brake upgrade. Uses 11" GM rotors (5514), cast iron GM calipers. Economical upgrade to disc brakes.

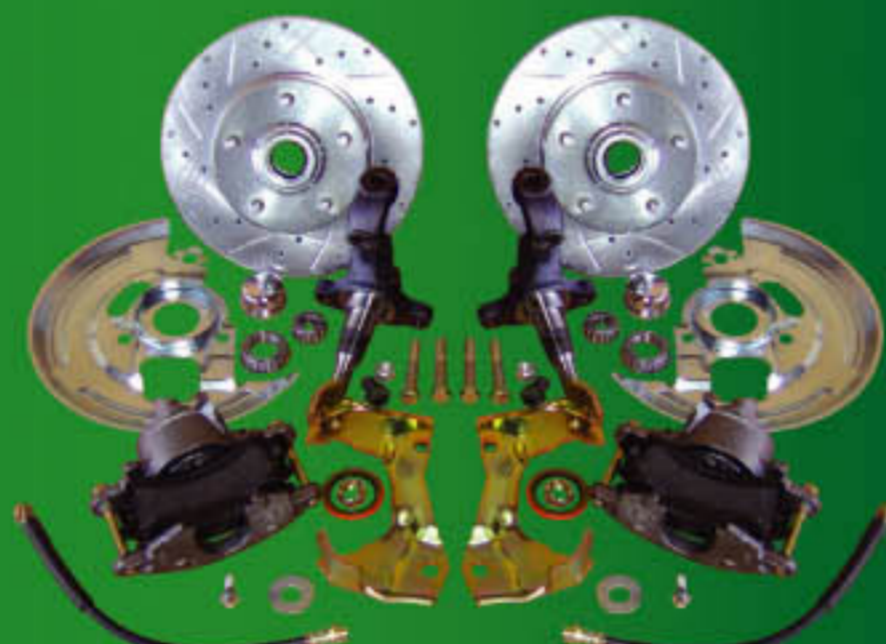

**WBK2002**  
**WYSCO 11" Rear Disc Brake Conversion Kit**  
 Fits 1965 and later Chevy 10 & 12 Bolt Rear ends. 11" Rotor with Cast Iron E-Brake (standard) Complete bolt on kit with E-Brake Cable. Maintains Factory rear Wheel width.

**WBK2002-1**  
**WYSCO 11" Rear Disc Brake Conversion Kit**  
 Fits 1955-64 Chevy Car Rear ends 11" Rotor with Cast Iron E-Brake (standard) Complete bolt on kit with E-Brake Cable. Maintains Factory rear Wheel width.

**WBK2003**  
**WYSCO 12" Rear Disc Brake Kit**  
 Fits Chevy 10 & 12 bolt rear ends.

High Performance 12.19" rotors with internal "drum brake" style emergency brake system. Maintains factory width. Easy bolt on. Standard single piston GM style cast iron caliper or upgrade to light weight polished aluminum calipers. Complete with e brake cables and all hardware.

**WBK2004**  
**WYSCO 9802 L/R KIT**  
 1968-1974 GM STOCK HEIGHT DISC BRAKE KIT  
 Fits 1964-72 "A" Body (Chevelle, LeMans, GTO, Skylark, 442 etc)  
 1967-1969 Camaro-Firebird  
 1968-1974 Nova

**WBK2005**  
**WYSCO 2" Drop Big Rotor**  
**1967-1969 Camaro 2" Drop with Big 12" Rotors**  
 New 1 piece design spindle lowers car 2". Eliminates need for bolt on brackets. Steering arm "cast" one piece for precise factory geometry. Big brakes in an economical package. Requires 16" or larger wheels. Realign car after installation.

**WBK2005-1**  
**WYSCO 2" Drop Big Rotor Conversion**  
**1955-1957 Bel Air/Tri Fi. 2" Drop with a 12" Rotor**  
 New 1 piece design spindle lowers car 2". Eliminates need for bolt on brackets. Steering arm "cast" one piece for precise factory geometry. Big brakes in an economical package. Requires 16" or larger wheels. Realign car after installation.

**WBK2006**  
**WYSCO 13" Ultra High Performance Disc Brake Kit.**  
 Fits all "A" body cars (Chevelle/GTO/LeMans/Olds/Buick, etc)  
 1967-1969 Camaro 1968-1974 Nova

**WBK2006-1**  
**WYSCO 13" Ultra High Performance 2" Drop Disc Brake Kit.**  
 Fits all "A" body cars (Chevelle/GTO/LeMans/Olds/Buick, etc)  
 1967-1969 Camaro 1968-1974 Nova

**WBK2007**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1964-1972 Chevy Chevelle (All "A" Body cars)

**WBK2007-1**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1967-1969 Camaro 1968-1974 Nova

**WBK2007-2**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1955-1957 Bel Air/510  
**WBK2007-3**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1958-64 Chevy Full Size Cars

**WP9847**  
 GM Dual Piston Aluminum Calipers (Upgrade from GM)

**WP9848**  
 GM Polished Single Piston Calipers (Upgrade from GM metric front calipers)

**WP9849**  
 GM Polished Finned Dual Piston Calipers (13" GM caliper conversion)

# DISC BRAKE CONVERSION KITS

**WBK2000**  
**49/54 Kit WYSCO Early Stock Height kit**  
**Fits 1949-1954 Chevy Car**  
**1953-1962 Corvette**

Install GM style disc brakes on your early chevy car or Corvette.  
 Includes adaptor brackets, 11" rotors, large GM type single piston cast iron calipers. Bearing adaptors, pads bearings nuts. Bolts rubber hoses etc. Utilizes GM components for easy replacement.

**WBK2001**  
**55/64 WYSCO stock spindle disc brake kit**  
**Fits 1955-1964 Chevy cars**

Heavy duty laser cut steel brackets bolt to factory spindle for easy disc brake upgrade. Uses 11" GM rotors (5514), cast iron GM calipers. Economical upgrade to disc brakes.

**WBK2002**  
**WYSCO 11" Rear Disc Brake Conversion Kit**  
**Fits 1965 and later Chevy 10 & 12 Bolt Rear ends.**

11" Rotor with Cast Iron E- Brake (standard) Complete bolt on kit with E-Brake Cable. Maintains Factory rear Wheel width.

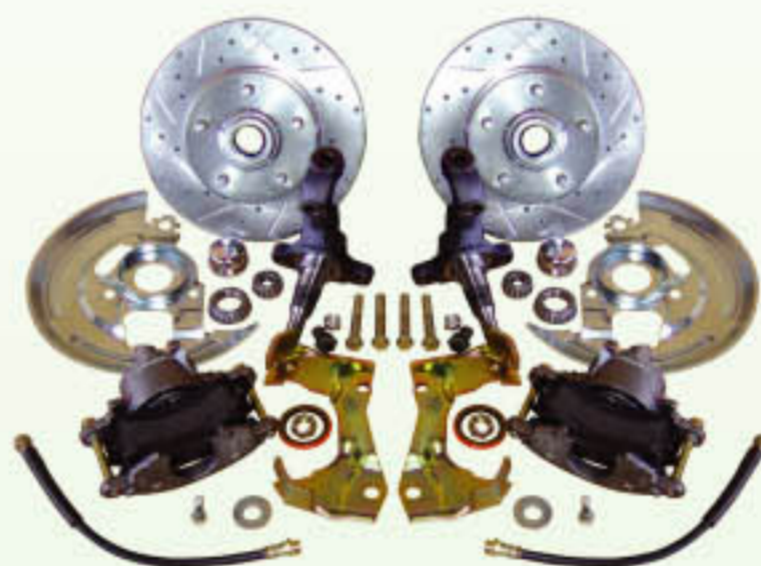

**WBK2002-1**  
**WYSCO 11" Rear Disc Brake Conversion Kit**  
**Fits 1955-64 Chevy Car Rear ends**

11" Rotor with Cast Iron E- Brake (standard) Complete bolt on kit with E-Brake Cable. Maintains Factory rear Wheel width.

**WBK2003**  
**WYSCO 12" Rear Disc Brake Kit**  
**Fits Chevy 10 & 12 bolt rear ends.**

High Performance 12.19" rotors with internal "drum brake" style emergency brake system. Maintains factory width. Easy bolt on. Standard single piston GM style cast iron caliper or upgrade to light weight polished aluminum calipers. Complete with e brake cables and all hardware.

**WBK2004**  
**WYSCO 9802 L/R KIT**

1968-1974 GM STOCK HEIGHT DISC BRAKE KIT Fits 1964-72 "A" Body (Chevelle, LeMans, GTO, Skylark, 442 etc) 1967-1969 Camaro-Firebird 1968-1974 Nova

**WBK2005**  
**WYSCO 2" Drop Big Rotor**  
**1967-1969 Camaro 2" Drop with Big 12" Rotors**

New 1 piece design spindle lowers car 2". Eliminates need for bolt on brackets. Steering arm "cast" one piece for precise factory geometry. Big brakes in an economical package. Requires 16" or larger wheels. Realign car after installation.

**WBK2005-1**  
**WYSCO 2" Drop Big Rotor Conversion**  
**1955-1957 Bel Air/Tri Fi. 2" Drop with a 12" Rotor**

New 1 piece design spindle lowers car 2". Eliminates need for bolt on brackets. Steering arm "cast" one piece for precise factory geometry. Big brakes in an economical package. Requires 16" or larger wheels. Realign car after installation.

**WBK2006**  
**WYSCO 13" Ultra High Performance Disc Brake Kit.**  
**Fits all "A" body cars**  
 (Chevelle/GTO/LeMans/Olds/Buick, etc)  
 1967-1969 Camaro  
 1968-1974 Nova

**WBK2006-1**  
**WYSCO 13" Ultra High Performance 2" Drop Disc Brake Kit.**  
**Fits all "A" body cars**  
 (Chevelle/GTO/LeMans/Olds/Buick, etc)  
 1967-1969 Camaro  
 1968-1974 Nova

**WBK2007**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1964-1972 Chevy Chevelle  
 (All "A" Body cars)

**WBK2007-1**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1967-1969 Camaro  
 1968-1974 Nova

**WBK2007-2**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1955-1957 Bel Air/510

**WBK2007-3**  
**WYSCO 2" Drop Spindle Kit**  
 Available for : 1958-64 Chevy Full Size Cars

**WP9847**  
 GM Dual Piston Aluminum Calipers  
 (Upgrade from GM)

**WP9848**  
 GM Polished Single Piston Calipers  
 (Upgrade from GM metric front calipers)

**WP9849**  
 GM Polished Finned Dual Piston Calipers  
 (13" GM caliper conversion)

- Single / Dual / Triple / Quad Picture
- System Supports up to 4 CCD Cameras
- On Screen Display Menu
- Color Distance Guiding Dots on Screen when Vehicle is Reversing
- System Supports DVD, VCD, Game Station and GPS by Connecting to AV
- System Auto Powers on when Shifting to Reverse Gear
- System Auto Switches to Split Picture when Right or Left Turn Signal is Activated
- Auto NTSC / PAL Detection

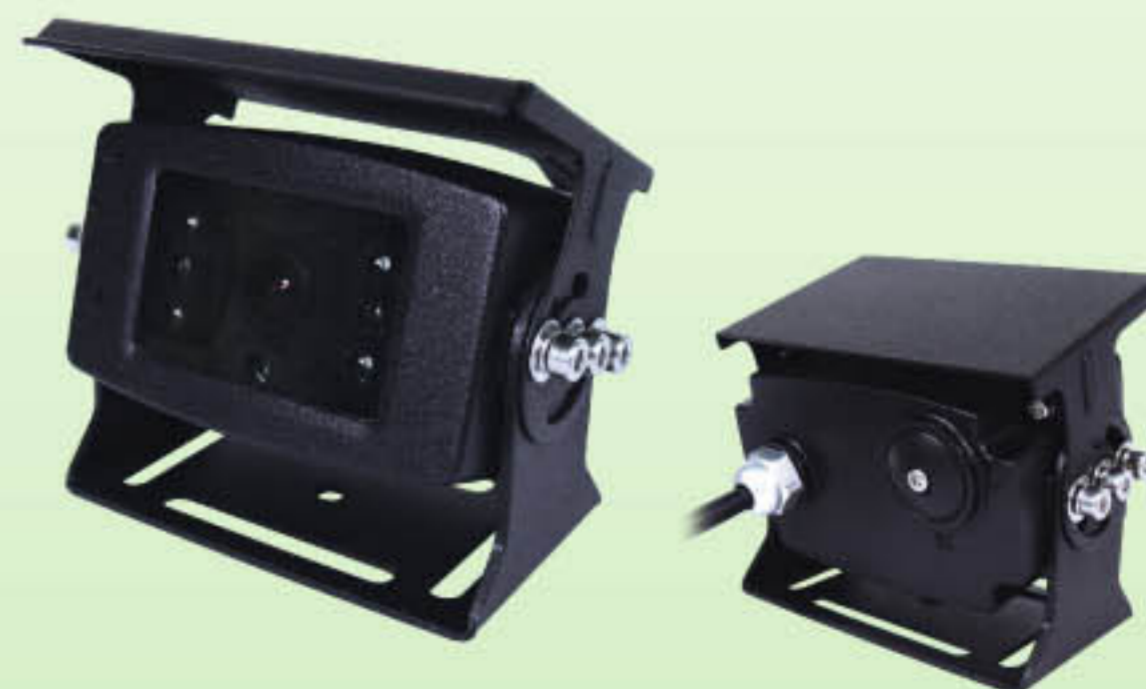

## CM11B Shutter Camera

### System Features

- Automatic Shuttering Flip Cover
- Heating Function
- Stainless Steel Housing & Brackets
- Suitable for Heavy Duty Applications Such as Air Turbulence, Dirty Water, Rain, Winter Conditions, etc.
- Color Sony CCD
- NTSC Resolution: 510(H), 492(V)
- IR LED Night Vision Lights
- Power Supply: DC 12V +/- 10%

## CC1020 Wide Angle Color CCD

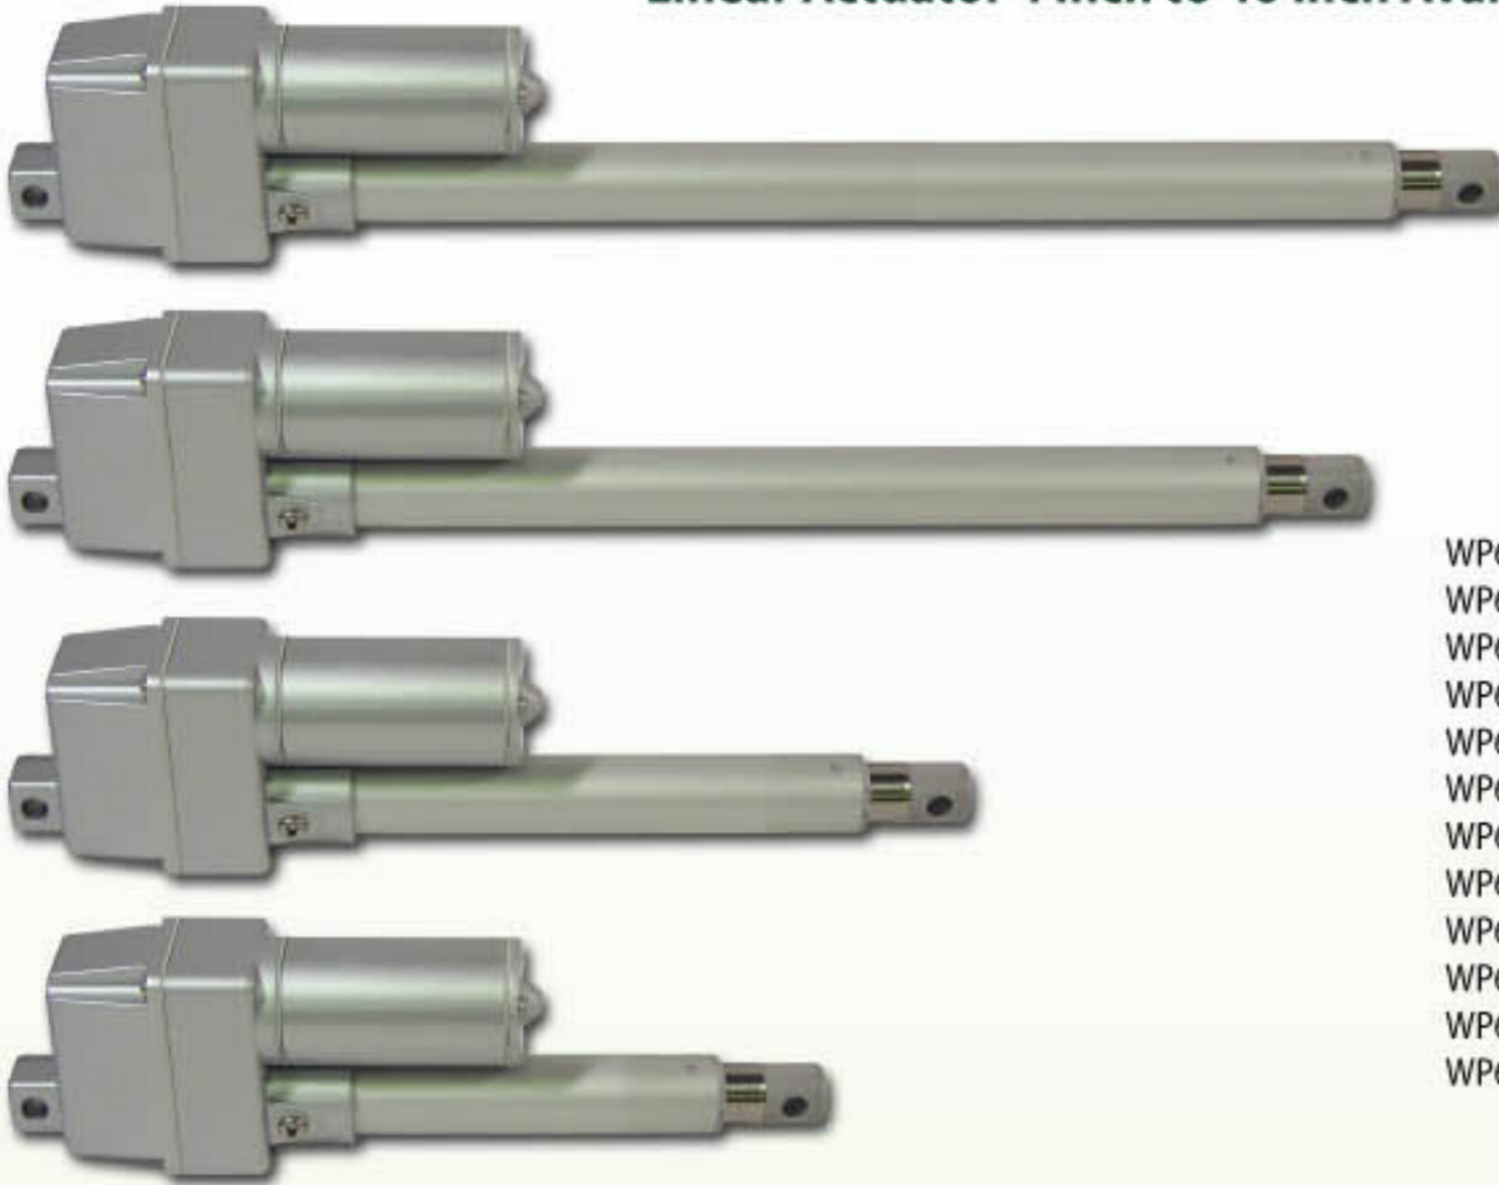

### System Features

- switch for mirror and normal view
- wide angle (H:125 deg, V:94 deg)
- 1/3" Image Sony Super HAD CCD
- IR LED Night Vision Lights
- DC Power Source DC 9.6~12V

## ACTUATOR

### Linear Actuator 4 inch to 40 inch Available !

- WP6204 Linear Actuator w/ 4-inch Stroke And 160 IBS Load Rating, 100 m/m
- WP6206 Linear Actuator w/ 6-inch Stroke And 160 IBS Load Rating, 150 m/m
- WP6208 Linear Actuator w/ 8-inch Stroke And 160 IBS Load Rating, 200 m/m
- WP6210 Linear Actuator w/ 10-inch Stroke And 160 IBS Load Rating, 250 m/m
- WP6212 Linear Actuator w/ 12-inch Stroke And 160 IBS Load Rating, 300 m/m
- WP6216 Linear Actuator w/ 16-inch Stroke And 160 IBS Load Rating, 400 m/m
- WP6220 Linear Actuator w/ 20-inch Stroke And 120 IBS Load Rating, 500 m/m
- WP6224 Linear Actuator w/ 24-inch Stroke And 120 IBS Load Rating, 600 m/m
- WP6228 Linear Actuator w/ 28-inch Stroke And 120 IBS Load Rating, 700 m/m
- WP6232 Linear Actuator w/ 32-inch Stroke And 120 IBS Load Rating, 800 m/m
- WP6240 Linear Actuator w/ 40-inch Stroke And 120 IBS Load Rating, 1000 m/m
- WP6200 Linear Actuator w/ Mounting Bracket (2 Needed Per Linear Actuator)

# WYSCO TERMS & POLICIES

## New Accounts

All new customers must fill out an account application, and included a copy of their business license within the United States. All California based companies MUST attach a copy of the original California resale certificate for tax exempt, resale status. Any new or existing account that fails to keep an up to date copy on Wysco file will be billed with sales tax, currently in Los Angeles 8.25%. All new accounts will have a choice of billing (credit card purchases, or C.O.D.) till they qualify for terms.

## Payment Terms

All merchandise is payable cashier check, money order, credit card, C.O.D. prior to shipping order. If credit terms are granted after customer is authorized to apply for credit by Wysco. Once approved will be subject to additional condition and terms. All invoices must be paid for prior to due date; there is no early payment discounts. All account past due will be put on credit hold and subject to late fee charges that will be strictly enforced and no future orders will be released till past due amount is paid in full. Wysco does reserve the right to revoke terms or close an account if not kept in good standing. **Any account that has a check return for "NSF" or "stop payment" will be subject to a \$25.00 check return fee.** In addition, customers may loose their "open" account status and have an account changed to "Pay before Shipping" terms, which will require a certified check to be sent to Wysco prior to shipment of future orders.

## Orders / Backorders

Orders can be phoned, faxed, or emailed to Wysco. There is a \$5.00 handling fee applied to all "drop shipment" orders as a service to our customers. On our Wysco Price Sheet there is a column list "Case Qty" amounts. All order MUST meet the minimum "Case Qty" on the required items. Any parts not in stock will be put into back order and not charged till shipped. All back orders are confirmed with customer once restocked at Wysco to be shipped after that date. Back orders can be canceled at anytime. Wysco reserves the right to change prices or services without prior notification.

## Delivery / Freight

Orders will be shipped out either "F.O.B. Wysco" or "Prepaid" depending if the order meets the qualified status. Prepaid orders must meet the minimum order amount for Wysco to make said arrangements, please call your account representative for additional information. Selection of trucking company will be determined and at the discretion of Wysco. Customers will be responsible for any miscellaneous charges such as "call for appointment", "residential surcharges", "customer manifest fees", and charges for redelivery due to not being available for initial delivery date. If customer requires special shipping or choice of carrier without approval from Wysco, all freight charges will be the responsibility of the customer, no matter the value of the F.O.B. The customer may request to use own freight company. It is the customer's responsibility to verify the correct amount of cartons received in a shipment from Wysco. **If customer does not correctly adjust paperwork with trucking company prior to signing the Bill Of Lading, Wysco will not honor any claims for carton shortages once customer has signed shipping company's Bill Of Lading.**

## Shortages / Claims

Any shortages on shipment must be reported to Wysco within 48 hours of receipt of goods. Wysco will fax a "claim form" to the customer to be filled out and returned. This form must be filled completely and faxed back to Wysco before the claim can processed. If Wysco is found to be at fault, the claimed items will be re-shipped to the customer. **No credit will be issued to a customer for cartons shortages if the Bill Of Lading has been signed for with the correct number of cartons being shipped.** "It is the customer's responsibility to take time and verify the number of cartons they receive on the Bill Of Lading before signing freight document. Customers are not allowed to take any deductions on an original invoice when remitting payments to Wysco. If there are any corrections to a invoice, Wysco will issue a credit memo to customer.

## Returns

All items returned require a return authorization number (RGA). An RGA request form MUST BE FILLED OUT COMPLETELY with original invoice numbers and explanation clearly detailed on form prior to returning to Wysco. Forms not completely filled will not be processed due to lack of information to expedite approval. Wysco Products only accepts returns on merchandise within 90 days of purchase date. A copy of original invoice, RGA, and packing slip must accompany return merchandise is required. Any return sent without an RGA number can be lost and are not the responsibility of Wysco if a RGA number is not accompanied with return items. Any returns sent without an authorized RGA will not receive credit, or replacement of defective items issued. Packages received must be clearly marked (RGA Return) on the exterior of the box. All non defective returns are subject to a 25% restocking fee. **No cash, credit card, or check refunds will be issued credit toward merchandise only.** Customer is responsible for return shipping fee charges. Orders placed by customer and refuse delivery will be subject to a restocking fee and penalty fee in addition to return shipping charges.
