WeatherTech®

2008 Retail Catalog

WeatherTech®

As a major supplier to one of the world's most rapidly changing and diverse industries we have always aimed to exceed our customers expectations. That's why every single product in our range has been researched, designed and manufactured to offer the ultimate in styling, quality, longevity in service and value for the money. In a word, excellence.

It's a philosophy that I and every single one of my staff holds closest to our hearts. From design to delivery, we all know that second best just isn't good enough.

So, you can be sure that before any product can carry the WeatherTech® logo, it will have undergone the most rigorous testing and quality control procedures. It's a comforting thought to know that in our ever-changing world some things just won't change, MacNeil quality. Would you settle for anything less?

WeatherTech® FloorLiner™

Extreme-Duty Floor Protection

In the quest for the most advanced concept in floor protection, the talented designers and engineers at MacNeil® Automotive have worked tirelessly to develop the most advanced floor protection available today! The WeatherTech® FloorLiner™ accurately and completely lines the interior carpet giving "absolute interior protection"™!

Digital laser measurements of interior surfaces offer a consistently perfect fit! A patent pending High-Density Tri-Extruded (HDTE) material allows for a rigid core for strength while offering surface friction to the carpet, as well as tactile feel to the surface! Advanced surfacing creates channels that carry fluids and debris to a lower reservoir with further channeling to help minimize fluid movement while driving! Once fluids become trapped in the reservoir, away from shoes and clothing, they are easily removed from the WeatherTech® FloorLiner™ over the door sill... No muss-no fuss! WeatherTech®... Where Technology and All Weather Protection meet! Available in Black, Tan and Gray for popular trucks, SUVs, cars and minivans.

WeatherTech® All-Weather Floor Mats

The WeatherTech® All-Weather Floor Mats are made out of heavy-duty rubber and have deeply sculpted channels designed to trap water, road salt, mud and sand. Our proprietary engineered resin ensures that these mats will not curl, crack or harden in sub-zero weather. Our All-Weather Floor Mats also have anti-skid ridges to prevent shifting in your vehicle and come with a protective, non-stick finish to make cleanup quick and easy.

WeatherTech® All-Weather Mats meet FMVSS302 and are manufactured in America to ISO 9001 standards, your assurance of quality. Choose from Black, Tan or Gray to complement virtually any interior color. Available for all cars, trucks, minivans and SUVs.

WeatherTech® Cargo Liners

WeatherTech® Cargo Liners provide complete trunk and cargo area protection. Our cargo liners are digitally designed to fit your vehicle and have a raised lip to keep spills, dirt and grease off your vehicle's interior, protecting your investment from normal wear and tear.

Made from a proprietary custom blended TPO that is not only wear resistant, but also remains flexible under temperature extremes. The WeatherTech® Cargo Liner features a textured finish which helps to keep cargo from shifting, and is perfect for hauling just about anything from gardening supplies to construction materials to the family pet. Protect your interior carpet with a WeatherTech® Cargo Liner. Quality built in America, WeatherTech® Cargo Liners meet FMVSS302 standards. Available in three colors: Black, Tan or Gray, for car trunks, SUVs and minivans.

WeatherTech® Side Window Deflectors

They Just
Snap Right In! **A.**

WeatherTech® Side Window Deflectors offer you fresh air enjoyment with an original equipment look. They are crafted from the finest 3mm lightly-tinted acrylic material available.

Installation is quick and easy, with no exterior tape needed. WeatherTech® Side Window Deflectors are precision-machined to perfectly fit your vehicle. These low profile window deflectors help to reduce wind noise and allow interior heat to escape. Our light Side Window Deflectors are the only deflectors in the world made with a D.O.T. Approved (U.S. Department of Transportation) glazing material.

B.

Let The Fresh Air In™

WeatherTech® Side Window Deflectors Dark offer you all the same qualities as the regular Side Window Deflectors, with a darker tint that is similar to that of quality sunglasses.

WeatherTech® No-Drill MudFlap

Premium Mud Flaps

Introducing the WeatherTech® No-Drill MudFlap! From the creators of the revolutionary FloorLiner™ comes the most startling advancement in exterior protection available today. Featuring the Patent Pending QuickTurn™ hardened Stainless Steel fastening system. The WeatherTech® No-Drill MudFlap set literally “mounts-in-minutes”™ in most applications without the need for wheel/tire removal, and most importantly - without the need for drilling into the vehicle's fragile painted metal surface! Contoured specifically for each application and molded from a proprietary thermoplastic resin, the WeatherTech® No-Drill MudFlap will offer undeniable vehicle protection. Check for our latest applications at weathertech.com; there are new applications every month.

ClearCover™, ClearFrame™ & PlateFrame™

ClearCover™

The WeatherTech® ClearCover™ license plate cover is made from the virtually indestructible Eastman DuraStar™ polymer. The one piece lens and gasket design allows for easy installation. The Multi-Flex™ gasket seals moisture out, and

a stepped lip design fits the license plate snugly.

The WeatherTech® ClearCover™ has many styles to choose from, and will complement any vehicle.

A.

B.

ClearFrame™

The ClearFrame™ License Plate Frame has all of the features of the ClearCover™ in a frame. It is made from virtually indestructible Eastman DuraStar™ Polymer. The one piece frame and gasket design allows for easy installation. The Multi-Flex™ Gasket seats against plate snugly preventing vibration or rattling. The WeatherTech® ClearFrame™ has many styles to choose from, and will complement any vehicle.

C.

D.

E.

PlateFrame™

The WeatherTech® PlateFrame™ features a solid one-piece design and is made from ABS Natural Platable Grade Plastic. This specific grade of ABS thermoplastic material is virtually indestructible, with

optimum resistance to weathering. An electrochemical triple-chrome plating is used on the Chrome PlateFrame™.

WeatherTech® Sunroof Wind Deflector

Let The Fresh Air In™

The WeatherTech® Sunroof Wind Deflector gives you an excellent reduction of in-cabin wind noise and air turbulence! It is crafted from the finest 4mm thick, tinted cast acrylic. Our sunroof deflector fits the sunroof opening precisely, and is held securely in place with the MagiClip™ vehicle specific fastening system. To protect your vehicle's finish, the unique AirCushion™ gasket seals the edge of the deflector. WeatherTech® Sunroof Wind Deflector's sleek and sophisticated look is a great addition to any vehicle.

WeatherTech® Stone & Bug Deflector

Sleek and low profile, the WeatherTech® Easy-On™ Stone & Bug Deflector is aerodynamically designed to provide excellent protection against stone chips and bug stains.

Made from aerospace-grade acrylic, it is virtually indestructible and extremely scratch resistant. Attaches easily to most SUVs, trucks, minivans, or cars using either a 3M®-brand automotive adhesive tape, or fasteners that use existing holes in the vehicle's hood. No drilling is required. It is a beautiful and protective addition to any vehicle.

WeatherTech® Home/Garage Mats

A.

WeatherTech® Premium Home and Garage mats are quality rubber mats for home, office, workshop or garage. These mats are made of 100% pliable virgin rubber. They won't curl, crack, or harden, even in sub-zero weather. The Outdoor Mat is a heavy-duty self-draining mat. The textured center section allows you to scrape off the elements, while deep channels whisk away the excess liquids. Side paddles clean the sides of your shoes.

The WeatherTech® Indoor Mat offers the unique "wave scraper" technology to remove dirt, while a high rim prevents mess from spilling onto floors. Features include built-in carrying handles and a unique drainage spout for easy disposal of liquids.

B. WeatherTech® Indoor Mat

SAFETY TIPS

1. Remove the original factory mats prior to installation.
2. Before starting and driving make sure that the mats DO NOT in any way interfere with the safe operation of this vehicle.
3. Before driving make sure that the mats do not in any way interfere with the accelerator pedal, brake pedal or clutch pedal.
4. Make sure that all drivers of this vehicle are aware of these safety tips.
5. If so equipped, please be sure to use any retention devices supplied with vehicle mats.

FITTING INSTRUCTIONS

Front Mats

The WeatherTech® Mat you have received is one of many styles. If the mat covers part of the transmission tunnel, this is acceptable and also desirable—the more area it covers, the more protection you get. In some unusual cases you may wish to trim excess side material on the front half of the mat slightly. Just follow the score lines between the molded squares/ovals on the top of the mat. Some vehicles may require trimming one or more blocks to the left of the accelerator pedal, or around an existing block under the accelerator pedal. Be careful to do this so that the mat does not interfere with the safe operation of the accelerator pedal. Please check the application prior to trimming as the mats cannot be returned once they have been cut. Your new mats have a protective non-stick finish that lets them shed water and dirt easily. To clean just rinse off with a hose and shake out vigorously.

Rear Mats

Rear universal mats are designed to be trimmed, if necessary, following the score lines on the W20, W25, W50 and W60 mats or between the molded squares/ovals on the W5 mats. It is desirable to have the mat follow the contour of the rear footwell, lending protection to the sides as well.

FloorLiner™

To install the FloorLiner™, please remove the original carpet floor mat prior to installation. Do not place your new FloorLiner™ on top of any existing carpet, plastic, or rubber mat. Your new FloorLiner™ is designed to be placed directly on the original carpet floor of the vehicle, utilizing the factory retention kit, where provided. Failure to follow these instructions could create an unsafe situation if the FloorLiner™ were to move and interfere with the safe operation of the clutch, brake or accelerator pedal. Regular cleaning extends the life of your FloorLiner™. The FloorLiner™ should be removed and shaken regularly to remove liquid and loose debris. Clean your FloorLiner™ using only a mild detergent soap and water. Do not use harsh chemicals or abrasive type cleaners as these products may damage the product. We do not recommend Armor All® or STP Son-of-a-Gun®, as these types of products make the FloorLiner™ slippery.

Cargo Liners

Your new WeatherTech® Cargo Liner is custom molded to fit your particular vehicle. Upon removal from the box you will notice that the liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the back of your vehicle and put a weight in each corner (a book works well). After about 15 minutes your liner will remain flat. Your liner is made from an engineered resin that is both lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, Meguiar's #39 or Griot's Garage Rubber Cleaner work well. We do not recommend Armor-All® or Son-of-a-Gun® as these types of products make the liner slick and cargo will slide.

Side Window Deflector

Please follow the installation instructions provided with your WeatherTech® Side Window Deflector carefully.

Easy-On™ Stone & Bug Deflector

Your WeatherTech® Easy-On™ Stone & Bug Deflector is custom made for your vehicle. Mounts easily to your vehicle using 3M® Brand automotive adhesive tape or clever fasteners that use existing holes in the vehicles hood, without the need for drilling.

HELP!

If you have any questions regarding installation or the operation of any WeatherTech® Product, please call our customer service department at (630)769-1500, Monday through Friday, 9 a.m. to 5 p.m. Central Time. We want to help you get the most out of your new WeatherTech® Product.

WE GUARANTEE YOUR SATISFACTION

If you are not happy with your order, return your unused product within 30 days for a complete refund, less shipping & packaging.

SHIPPING

*When multiple items are ordered from a single product group advertising a shipping special, the customer pays the initial delivery fee on the first item and we pay regular ground shipping on additional items purchased from the same product group shipping to the same address within the 48 contiguous states. Merchandise ordered from different product groups may be subject to additional delivery charges. Express delivery available.

RETURN POLICY

Please call our customer service department at (630)769-1500, to obtain a return authorization number. Your return authorization number is valid for a period of 30 days from date you received your order. Any returns without a valid authorization number will be refused. Please write the authorization number below our return address on the outside of the box. Of course, all products must be returned in new, unused condition in their original box. Shipping must be prepaid by the customer on all returns. We do not accept C.O.D. returns.

ALL PRODUCTS MUST BE RETURNED TO:

MacNeil Automotive Products Limited
2435 Wisconsin Street
Downers Grove, IL 60515

ADDITIONAL ORDERING INSTRUCTIONS

Now that you see how well WeatherTech® Products protect your vehicle, you'll want to order additional items for your other cars as well. So just tell us the year, make and model of your vehicle, and we'll ship you the items that will let you keep protecting your vehicle for years to come.

WARRANTY

WeatherTech® products are guaranteed against faulty materials and workmanship for a period of three years from the date of purchase. Exclusions to this warranty are wear through due to severe abrasive conditions, chemical contamination, such as spilled gasoline, bleach, etc. We are reasonable people and we believe in customer satisfaction. Depending on the situation, we will either replace your product at no charge or charge you a prorated amount for a replacement. Thank you for your business.

Prices subject to change without notice. Check held for 10 business days. Illinois residents add 7½% sales tax. If paying by check, please make check payable to:
